What's in a name?

We've changed. More than 50 years ago the *School Bulletin* was really a bulletin that was mailed to schools. Now the *School Bulletin* is a regular weekly magazine—*your* magazine—and "School Bulletin" doesn't seem to fit anymore.

Do you think the *School Bulletin* should get a new name? If so, send your suggestions to the Editor, *National Geographic School Bulletin*, National Geographic Society, 17th and M Sts., N.W., Washington, D. C. 20036. We'll send you a National Geographic map for your help.
